OCCUPATIONS *The Vocational Guidance Magazine*

The Vocational Guidance Magazine, for eighteen years the official organ of the National Vocational Guidance Association, is taking one more forward step in its steady development and appears now in enlarged size under the name, *OCCUPATIONS—THE VOCATIONAL GUIDANCE MAGAZINE.* It continues its official relation to the National Association and at the same time becomes the official medium for disseminating guidance and occupational information resulting from the work of the National Occupational Conference.

This periodical contains ninety-six pages, is adequately illustrated and issued ten times a year, September to June. The subject matter is designed to appeal to those interested in all phases of guidance in school, industry, business, social agencies, and service clubs. Occupational adjustment of both youth and adult will be presented through articles specially prepared by outstanding persons.

SUBSCRIPTION PRICE, $3.50 A YEAR

Membership in the National Vocational Guidance Association (open to all persons interested in guidance) or in any Branch Association, which includes a year's subscription to the magazine, $2.50 a year.
